As below named co-inventors, we hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names; that

We verily believe we are the original, first and joint inventors of the invention entitled BUSPIRONE ANTI-ANXIETY METHOD

described and claimed in the attached specification; that

We do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve months prior to this application, that we acknowledge our duty to disclose information of which we are aware which is material to the examination of this application, and that no application for patent or inventor secretificate on this invention has been filed in any country foreign to the United States of America prior to this application by us or our legal representatives or assigns.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section-1001 of Title-18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

We hereby appoint Robert E. Carnahan, Registration No. 18,500 and Robert H. Uloth, Registration No. 26,041, both of field Johnson & Company, 2404 Pennsylvania Avenue, Evansville, Indiana 47721, our agents, to prosecute this application and to transact all business in the Patent Office connected therewith. Address all telephone calls to Robert E. Carnahan at telephone number 812-426-6720. Address

Wherefore we pray that Letters Patent be granted to us for this invention or discovery described and claimed in the foregoing specification and claims, and we hereby subscribe our names to the foregoing specification and claims, Declaration, Power of Attorney, and this Petition.
